Mental Health Awareness Campaign 2025

5 November 2025 (Wednesday)

Multipurpose Hall, Main Campus, BRAC University

Mental Health Awareness Campaign 2025, organized by the Counseling and Wellness Centre in honor of World Mental Health Day. Join us on 5 November 2025 (Wednesday), 11:00 AM–4:00 PM, at the Multipurpose Hall, Main Campus, BRAC University, to explore this year’s theme, “Mental Health in Humanitarian Emergencies.” Together, let’s promote empathy, awareness, and community well-being.

Campaign Highlights:

Throughout the campaign, participants can engage in activities that support mental health and emotional well-being — from sparking creativity in the **Creative Play Lab** to connecting in the **Empathy Studio & Support Map** and recharging at the **Calm Corner & Energy Pit Stop**. Find calm with Sensory Soothers, gain insights through Quick Screening & Signpost, reflect at the Gratitude & Granola Station, and nurture personal growth in the Designing Self-Growth Garden, a space for self-discovery and resilience.
